

Appl. No.: 10/517,699
Amdt. dated January 24, 2007
Reply to Office Action of August 25, 2006

Amendments to the Specification:

Please amend the specification of the above-referenced patent application by adding the following section titles. In the following instructions, the locations for the added section titles are indicated by paragraph numbers in accordance with the published version, namely Pub. No. US2005/0253685A1, of the application.

1. Following the title "ELECTRONIC LABEL ANTENNA," and preceding paragraph no. [0001], please insert the section title:

BACKGROUND OF THE INVENTION

2. Following paragraph no. [0005] and preceding paragraph no. [0006], please insert the section title:

BRIEF SUMMARY OF THE INVENTION.

3. Following paragraph no. [0025] and preceding paragraph no. [0026], please insert the section title:

BRIEF DESCRIPTION OF THE DRAWINGS

Appl. No.: 10/517,699
Amdt. dated January 24, 2007
Reply to Office Action of August 25, 2006

4. Following paragraph no. [0030] and preceding paragraph no. [0031], please insert the section title:

DETAILED DESCRIPTION OF THE INVENTION.

5. Following paragraph no. [0058] and preceding claim 1, please insert the section title:

CLAIMS
